2008 Centennial Quality Awards Program—Set your goals now—Forms past due!

The newly revised Centennial Quality Unit Awards program for the years 2007-2010 is our opportunity to recognize those units who truly deliver exceptional programs to youth members at all levels of our organization. Unlike the former "Quality Unit" program, the new Centennial Quality Awards program will allow each unit to establish annual goals. The new 2008 Centennial Quality Unit forms are now available. Each unit should have been contacted by their unit commissioner to sit down and set unit goals for 2008. This is a great way to take a look at how your unit is doing and set some goals for the year. For more information on the Centennial Quality Unit program, contact your unit commissioner and visit www.scouting.org.
