Scouting WEB LINKS and Resources

The Blue Mountain Council is dedicated to providing our Scouts and Scouters with tremendous support. Our council web site is one way that we can provide you with forms, information, and answers to questions 24 hours a day. We do our best to keep it as up to date as possible. Listed below are some pages that you might not be aware of, but you should be. Bookmark them on your computer so you can access them anytime you are looking for something.

Remember to let the other leaders in your unit know about these too!

The National Council of the Boy Scouts of America supports more than 300 local councils that provide quality youth programs, including Cub Scouting, Boy Scouting, and Venturing. The National Council also has great resources available on their web site. Some of those are listed below.
