

UNIT # _____

UNIT DEPOSIT AGREEMENT

THE PURPOSE:

The Blue Mountain Council maintains a "UNIT DEPOSIT" plan to assist units in expediting the handling of registration, *Boys' Life* subscriptions, and orders for badges, insignia and supplies. To create less confusion, each unit will have **two** accounts, one for the trading post and a separate account for registration. **Please make sure to designate which account you want your monies to be credited too.** If there are insufficient funds in the registration account, monies may be taken out of the 'Trading Post' account in order to process applications in a timely manner. A unit makes a deposit to its credit in the Glenn C. Lee Scouting Service Center. Orders may then be placed by mail or in person and the charges deducted from the account. No supplies are sent or registrations processed, unless there are adequate funds on deposit to take care of the full transaction.

This deposit plan makes it convenient for unit leaders to handle small transactions. It is particularly helpful for encouraging prompt registrations under the current procedures.

THE AGREEMENT:

- 1) We, the undersigned, apply for a "UNIT DEPOSIT ACCOUNT" with the Blue Mountain Council, Boy Scouts of America. We agree to maintain the \$25.00 minimum balance.
- 2) We authorize the following unit Scouters to sign for appropriate charges to our account **please print legibly:**
