Scouting for Food

Did you miss the Scouting for Food Drive on March 1st and would like to participate? This service project to aid those in need in our community, can be done year round and you can schedule your unit for specific geographical area when you are ready.

Door hangers are available, at no cost to you, and your unit can distribute them throughout the neighborhood and then go back to collect the canned goods. You then can pick any food bank to deliver the collected goods.

To sign up for a territory and order door hangers, contact Scott Behrends at 509-735-7306 or sbehrend@bsamail.org.

This is a Good Turn for America project, so your Scouts will qualify for the Good Turn for America patch! Visit www.bmcbsa.org for more information on how you can participate in this event.
