Summertime Pack Award

A pack can earn the National Summertime Pack Award by doing three pack activities when school is out for the summer—one activity each in June, July, and August. Packs that qualify get a colorful streamer for their pack flag. Dens that have at least half of their members at the three summer pack events can earn a den ribbon. Pack members who take part in all three events are eligible for the National Summertime Pack Award pin, to wear on the right pocket flap of their uniform.

If a pack is in a "year-round school" (or is part of a home-school association), the pack could earn the Summertime Pack Award by having a special pack activity during school breaks.

Visit www.bmcbsa.org for the Summertime Pack Award form.

National Den Award

The National Den Award recognizes dens that conduct a quality, year-round program. Service projects, Cub Scout Academics and Sports, field trips, character development, and Cub Scout

camping are areas that are emphasized. Dens earn the award as a team, not as individual den members. The recognition is a ribbon for the den flag or den doodle.

To earn the National Den Award, a Cub Scout den must:

- A. Have at least 50 percent of the den's Tiger Cubs, Cub Scouts, or Webelos Scouts attend two den meetings and one pack meeting or activity each month of the year.
- B. Complete six of the following during the year:
 1. Use the denner system within the den.
 2. In a Tiger Cub den, use shared leadership and rotate the boy/adult host team.
 3. Have 50 percent of the den go on three field trips per year. A field trip may be used in place of a den meeting.
 4. As a den, attend a Cub Scout day camp, Cub Scout or Webelos Scout resident camp, or a council family camping event with at least 50 percent of the den membership.
 5. Conduct three den projects or activities leading to a Character Connections discussion.
 6. As a den, participate in at least one of the Cub Scout Sports programs.
 7. As a den, participate in at least one of the Cub Scout Academics programs.
 8. Have 50 percent of the den participate in a den conservation/resource project.
 9. Have 50 percent of the den participate in at least one den service project.

Internet Advancement - TRY IT TODAY!!

Boy Scout summer camp, Cub Scout resident camp and day camp are all coming up fast. The variety of programs offered at all of these great summer activities, provide for some advancement opportunities for those youth who participate. A great way to track that advancement is using the "Internet Advancement" found at www.bmcbsa.org.

This is a great tool that helps each unit track the advancement for all the youth in their unit. You can even upload information from a variety of software available from third-party vendors, such as, TroopMaster or PackMaster.

The information that you enter, or upload, into "Internet Advancement" is then matched with the Scouts record. The unit must still submit an advancement form signed by the unit for the records to be posted to the Scout's record.

At anytime, the unit can check the advancement records of any of their Scouts. They can also track down those membership ID numbers that are needed when taking any online training course through E-Learning at www.scouting.org.

If you have any questions, or are looking for more information regarding Internet Advancement, contact your district Advancement Chair or your District Executive.
