

Spring Recruitment

Spring is upon us again; it is time to start thinking about Spring Recruitment. The days are getting longer, and the flowers are beginning to bloom. Youth are spending more time outdoors. Parents are preparing for school to end and are looking for activities for their boys to do. Scouting can provide fun, educational activities for them to be apart of, especially with Day Camp and Scout camp coming up this summer it is important for a young man to participate in. With a great summer of program a new Scout will stay in Scouting longer and therefore gain more out of their experience. Contact Johanna Vega for more information at (509) 525-7578.
