Eagle Cap Credentials 2007

The council has had a difficult time recruiting a course director for this year's course. Several people were indentified and approached to serve as Course Directors and all declined. Therefore this year's course has been canceled.

The Blue Mountain Council plans to put on a course in the summer of 2008. Recruiting will start immediately. If you are interested or know of someone who would be willing to help with the 2008, course please contact Emilio Avila at (509) 735-7306 or email at eavila@bsamail.org.
