

Boy Scout Roundtable Themes 2007-2008

The following list is the Boy Scout Roundtable theme guide for 2007-2008. These themes correspond with the themes in *Boys' Life* and *Scouting* magazines, and all of these resources can provide program support to leaders and Scouts. The material covered in a roundtable is used by the troop in the following month. For example, the Fishing theme would be covered in the August roundtable for use by troops in September.

Troops are encouraged to establish their own programs using *Troop Program Features* (Volumes I (No. 33110A), II (No. 33111), and III (No. 33112)) and *Troop Program Resources*, No. 33588A. Roundtable is great place to find ways to incorporate these program ideas into your unit's yearly plan!
